## Programme for international healthcare stakeholders

29 June - 1 July 2022

Partners:

# TOUR DE HEALTH

## A study tour to Denmark

---

### PURPOSE

*In cooperation with Danish embassies, Healthcare Denmark invites international healthcare stakeholders for a study tour to Denmark. On this mission the delegates will have the opportunity to explore and gain new insights on healthcare topics among international peers.*

---

### PROFILE OF DELEGATES

*Healthcare authorities from national or regional level, and Healthcare DENMARK ambassadors, working with policy, administration, management or regulation within healthcare.*

---

### COUNTRIES

*Germany, France, United Kingdom, United States, Canada, Japan, Korea, Norway, Sweden and Finland (3 participants per country).*

---

### PRACTICAL INFORMATION

*29 June - 1 July 2022, Copenhagen area. The study tour is financed by the Ministry of Foreign Affairs of Denmark and Healthcare DENMARK and includes organised and paid for transport to Denmark economy class (flight or train), transport in Denmark during the visit, 3-nights accommodation including breakfast, lunch and dinner events as stipulated in the programme.*
